

Business meeting - Friday October 9

GSR Report - No new business

Intergroup Report - Reported on upcoming committee meetings

Intergroup finances

AA Zoom meetings in NYC can be conducted free of charge by using the Zoom account provided by Intergroup

these free meetings allow a limited number of Hosts. FB opted at the start of the Pandemic to set up its own Zoom Pro account at a cost of \$199.90 per month

this allows FB the flexibility of features not available in the free version. This also keeps our group self-supporting

FB in-person meetings have resumed, one meeting each weekday at 7:30 am

with average daily attendance in the 10-to-20-person range, with attendance expected to grow

Rent payments to Project Find will resume (after remaining credits) at pre-Covid rates. An effort to negotiate a lower rate was firmly rebuked by the landlord.

It was decided that the cost of holding weekend meetings at Hamilton Annex (71st St.) is not feasible at this time.

It was decided that FB donations to AA Service Organizations (NYIG, GSO, SENY, District) will revert to being made quarterly rather than monthly

It was decided that daily chairpersons will open Chat to all participants for both private and public chat at 5 minutes before meeting end

and will remain open during the break between FB 1 and FB 2; this policy may be added to the Script if successful.
